## Partial Outfitting

If you have some of the gear you'll need, but still require a few items for your Boundary Waters camping trip we can help. Camp Voyageur can provide: rental gear, in-camp lodging pre or post trip and a truck to or from your put-in point. We recommend reserving your gear early so it's available for you. Note this year camp session dates are June 14-August 8 and we will have less available rental gear during those dates. Contact us today to see if we can accommodate your group. Contact Deb at camp with questions: cvspirit@campvoyageur.com.

Reserve the following items below. A \$100 deposit is due for entire party. Full deposit refunded by June 1 if reservation is cancelled. After June 1, 2009 no refund is given if reservation is cancelled. Print this form and send deposit to: Camp Voyageur, PO Box 420, Ely, Minnesota 55731. In addition please copy and send via e-mail your reservation to: cvspirit@campvoyageur.com. Check off or complete the information below:
